Yogyakarta, DIY

Summary

I am a fresh graduate from the computer science bachelor's program who is deeply passionate about programming. I am always motivated to further develop my skills in this field. I have a strong sense of responsibility towards my work, so I always strive to complete every task entrusted to me to the best of my abilities. I am a diligent individual who pays close attention to small details. I am ready to tackle new challenges with a high level of enthusiasm for learning and expanding my experience in the professional world
